CHRONOLOGY OF THE ROBB FAMILY IN AMERICA

II. JOHN ROBB

*Barbara McKnight Jan. 10, 1757

Marriage ceremony performed by Rev. John Cuthbertson.

John Robb was ordained an elder in the Reformed Presbyterian Church at Pequea, Lancaster County, Pennsylvania, on October 4, 1767.

Data taken from the diary of Rev. John Cuthbertson, who officiated, and confirmed by Glasgow's History, page 254.

In "The Robb Family in America, 1936" two lists are given of the children of John Robb and his wife Barbara, together with explanatory remarks which do not really explain much. Since 1936 information has been received which appears to make certain that the first list is the correct one.

The will of John Robb was probated in Washington County, Pennsylvania, on February 8, 1804. In that document mention was made of his children, whose names in the will correspond exactly with the first list given in the booklet of 1936.

The Rev. Mr. Cuthbertson's diary provides the dates of the childrens' baptisms.
